Waddell Elementary
School

Classroom Happenings

Please remember that students are expected to read nightly for 20 minutes, study multiplication facts and/or social studies or science review guides.

If you have the time and technology, Reflex Math and IXL are also an excellent way to review math facts and skills.

Please remember to review previously taught math skills in real life situations such estimating, counting money and making change from \$5.00, addition, and subtraction, telling time to the minute, and reading a thermometer.

Please remember to send coats, hats, and gloves for recess. We will go outside if the temperature is above freezing.

Dates to Save

Jan 21	Martin Luther King Day (No school)
Jan 22	Enrichment Club Forms Go Home
Jan 24	Enrichment Club Forms Due
Feb 8	LDMS Family Fun Night 6-8:30pm

Curriculum News

Math– Division

Students will solve division problems by using number lines, repeated subtraction, drawing equal groups, arrays and fact families.

Reading – Synonyms, antonyms, prefixes, suffixes

Students will use knowledge of prefixes, suffixes, synonyms and antonyms to determine the meaning of new words.

Writing – Content & Creative

Students will compare Ancient Egypt and Ancient China
Wrier's Workshop

Social Studies - Ancient China Concludes

Students will complete a performance based assessment.

Please continue to review the study guide.
